DIAGNOSTIC EXAM FOR THEORY I AND AURAL SKILLS I (FRESHMAN THEORY):

The diagnostic exam for MUS 150 *Music Theory I* and MUS 150L *Music Theory I Aural Lab* should be taken online (http://music.unm.edu/diagnostic_exam/diagnostic_exam.html) before enrolling in classes for the fall semester (preferably during May). The intent of the test is to assess whether your current knowledge in the area will enable you to do well in these classes. Your score on it determines whether you should take Theory I (MUS 150/150L), or whether you should take Music Fundamentals (MUS 130). MUS 150/150L is offered during the fall semester, and MUS 130 is offered as an online class during the fall, spring, and summer semesters. Note that MUS 130 does not count toward the requirements for a major in music, but may nevertheless be of great benefit to your overall progress in the theory courses that are required for your degree.

The following topics are on the diagnostic exam:

- Note reading
- Key signatures
- Intervals
- Triads in root position
- Triads in various positions
- Melodic direction

If you will be enrolling in MUS 150/150L in the fall semester and are concerned about the level of your theory or aural skills, please consider taking MUS 130 ONLINE during the previous summer session. Consult the [Schedule of Classes](#) for details. Please do not hesitate to seek advice from your instructor(s) early in the semester if you discover that the material is proving to be too difficult or the pace of the class is too fast for you. You must be making progress through the theory program in order to continue as a music major, so we want you to do well in this very important area of the field of music!

THEORY PLACEMENT EXAM FOR UNDERGRADUATE TRANSFER STUDENTS:

All transfer students will be given a theory, aural skills and sight-singing proficiency examination for the purpose of determining the level of competency in these areas. If test results reveal deficiencies, transfer students will be required to remove such by enrolling and successfully completing one or more semesters of courses in the theory curriculum.

NOTE: The theory exam for undergraduate transfer majors is the same as that given to incoming Theory & Composition graduate students. It is used as a diagnostic tool to help us place you in the correct level theory course, and it is expected that you will not know all the material asked.

You may access a practice exam as well as information on when the exam will next be offered at:

http://music.unm.edu/academics/undergrad_programs/undergrad_hndbk/theory_placement_exams.htm

Please contact [Dr. Richard Hermann](mailto:harhar@unm.edu) (harhar@unm.edu) via email to arrange to take the test.

For more information please contact the Music Department at 505.277.2127

MUS 130 is not being offered at UNM for summer 2015. The Music Department recommends students take MUS 102, Music Theory for Non-Majors or Music Theory Fundamentals through the Eastman School of Music online at:

<http://www.esm.rochester.edu/iml/store/product/music-theory-fundamentals/>

CONCERT MUSIC 101

Thursdays 2:00pm – 2:50pm Keller Hall

Course Description

Students working towards a BA, BM, or BME in Music must earn Concert Music credits in order to gain their degrees. To earn credit, students must attend 15 recitals or CM classes in each semester they enroll in MUS 101.

Degree Sought	Credits Needed
Bachelor of Music / Bachelor of Arts	6
Bachelor of Music Education	4
Transfer students with 60+ total transfer hours	2

Concert Music is offered on a CR/NC basis only.

YOU NEED TO ATTEND 15 MUSIC PERFORMANCES TO GET CREDIT FOR THIS CLASS. You can attend your concert music class every week but, be aware that performers don't always schedule concerts at the beginning of the semester; therefore class may be cancelled. Since **there might not be 15 concert music classes, you will have to attend some UNM MUSIC DEPARTMENT CONCERTS.** This includes concerts featuring UNM Music faculty, student, and UNM Department of Music guest recitals. There is a calendar of events posted in the glass case outside of Keller Hall, there's the online calendar on the UNM Music Dept. website, and you can also subscribe to our listserv to receive up-to-date information regarding changes/cancellations to events. Email Keller@unm.edu to be added to the email list.

There will be a Keller Hall Staff member present at every concert. You will ask the attending Keller Staff member to pull your concert music card to check in before the concert and check out at the end. **If you do not check in at the END of the concert, you will NOT be given credit for that event.** For each concert music class, you will need to print/sign your name LEGIBLY on the program, and turn it in at the end of class out front on the table.

If you perform in a UNM MUSIC DEPARTMENT CONCERT (including Concert Music**), you can receive credit for that event. You will receive one credit for the concert, even if you perform more than once on the program. **Please check in with Keller staff to make sure you've been marked down for the performances.**

Concert Credit cannot be carried over beyond the end of the semester. You may receive more than one credit if you attend 30 (2 credits) or 45 concerts (3 credits).

Concert Music Cards will be held in the Keller Office upstairs in Room 2134. Stop by if you have questions regarding the credits you have acquired or have remaining. You can also call 277-2131 or email at Keller@unm.edu.

Get a comp card, it will give you 2 free tickets to any ticketed UNM Music event.

****If you wish to perform on a class, forms and instructions outside the Keller Office.**

THE UNDERGRADUATE PIANO PROFICIENCY EXAM

Musicians without basic keyboard skills often find themselves at a disadvantage in the contemporary marketplace. The PIANO PROFICIENCY EXAM tests the ability of the student to use the keyboard as a tool within the framework of his/her current and future professional activities.

PIANO PROFICIENCY EXAMS will be administered each semester (fall and spring) during Final Exam Week. All students planning to take the PIANO PROFICIENCY EXAM must be pre-approved by a piano faculty member. To be pre-approved, a student must perform a preview to demonstrate that he or she is sufficiently prepared to take the proficiency exam; the preview must occur by the Friday BEFORE exam week begins.

It is strongly recommended that all sections of the PIANO PROFICIENCY EXAM be passed by the end of the sophomore year. Under no circumstances may a student attempt the exam for the first time in the last semester at UNM. The piano faculty is ready to help you answer any questions you may have regarding the course of action necessary to help you achieve a successful outcome of this requirement, so please feel free to contact us.

A student's first attempt at this exam must occur BEFORE the last semester at UNM. A student must pass all sections of the piano proficiency exam before the following can occur:

- Music Education students must pass all sections of this exam before student teaching.
- All students required to give a senior recital must pass the piano proficiency prior to enrolling in APMS 491 *Senior Recital*.
- If a student's degree plan requires applied piano instruction, the student must first pass all elements of the Piano Proficiency. EXCEPTION: Students pursuing the B.M.E. with piano as the principal instrument may be accepted into applied piano provided their level is sufficient (at least as high as that required for completion of Group Piano IV). However, they must pass the piano proficiency within one year and must have taken the proficiency preview by the end of the first semester of applied study. Failure to pass the proficiency will result in withdrawal from applied instruction.

Theory/Composition majors must pass a subsequent KEYBOARD SKILLS TEST administered by the theory faculty.

All students who have not yet passed the PIANO PROFICIENCY EXAM (if required by their degree plan or for student teaching) should sign up for the piano placement exam held during the first week of each semester in order to determine which course level should be taken.

Basic requirements for the PIANO PROFICIENCY EXAM are as follows:

Bachelor of Music Concentrations in Performance (Instrumental or Vocal Emphasis), String Pedagogy, Jazz Studies, or Theory & Composition:

1. All major and harmonic minor keys:
 - a. scales, hands together, 2 octaves (ascending, descending) with correct traditional fingering
 - b. chord progression (minimum I-IV-cadential 6/4-V7-I) in 4 parts, RH beginning on first inversion of I, LH bass line, root note. EX:

2. Sightreading, intermediate level (1-2 pages; ex: folk song or classical children's piece)
3. Repertoire, 1 intermediate level piece (2-4 pages, ex: 1st movement of a sonatina, Bach *Prelude** or *Invention*). The prepared repertoire piece must be pre-approved by a piano faculty member.
* Note: The Bach *Prelude No. 1 in C major, BWV 846* is not an accepted repertoire piece.

Bachelor of Music Education and Music Education Minor:

1. Same as above, plus the following:
2. Harmonization of a simple melody. Blocked chords, or simple patterns; ability to include one or more secondary chords. 48 hours preparation. No marks allowed on the score.
3. Score reading as follows:
 - a. Instrumental Concentration:
1-2 pages of an orchestral score, including transposing instruments.
Ability to play any two parts from those pages. One line will be a transposing instrument, the other a "C" instrument. No marks allowed on the score.
 - b. Vocal Concentration:
1-2 pages of a four-part choral score, all four parts (some voice crossing may occur). 48 hours preparation. No marks allowed on score.

Graduation Requirements - Bachelor's Degrees

UNM Catalog 2015-2016 - <http://catalog.unm.edu/catalogs/2015-2016/>

- Graduation from the University of New Mexico is not automatic. Application for candidacy for graduation is required. During the semester prior to graduation, the application for degree must be completed and returned to the Fine Arts Student Success & Advisement Center, Center for the Arts 1103. For summer or fall graduation, the deadline is April 1. For spring graduation, the deadline is November 1. **If you fail to submit the application by the deadline, your graduation may be delayed.**
- Undergraduate students may graduate under the requirements in the *Catalog* issue in effect at the time of their admission into the college or school from which they are seeking a degree. If students transfer from one degree-granting college or program to another within the University, they must comply with the *Catalog* requirements in effect at the time of their transfer. Notwithstanding the above, the University of New Mexico reserves the right to make changes in the curricula and degree requirements as deemed necessary, with the changes being applicable to currently enrolled students.
- Students who interrupt their degree program and are not enrolled for three or more consecutive semesters (including summer), must comply with *Catalog* requirements in effect at the time of re-enrollment.
- Students are responsible for knowing the rules and regulations concerning graduation requirements and for satisfying all graduation requirements. Advisement at the specific department/program level as well as the college level is strongly recommended to assure timely graduation. Students who take more than 10 years to graduate from the date of their original admission must conform to the *Catalog* in effect in the semester in which they intend to graduate.

Candidates for an undergraduate bachelor's degree must meet the following University minimum degree requirements and are subject to the following University limitations:

1. The student must be admitted to the UNM College from which the degree is awarded at the time of graduation.
2. A **minimum** of 128 semester hours of earned credit is required. Of these, at least 42 hours must be completed in courses numbered 300 or above.
3. Complete the University Core Curriculum.
See *Catalog* for more details: <http://catalog.unm.edu/catalogs/2015-2016/undergrad-program.html>
See CFA and departmental sections of the *Catalog* for details on degree-specific core requirements.
4. The student must complete the 3 credit hours U.S. and Global Diversity and Inclusion requirement.
5. **Residence credit requirement:** A minimum of 30 semester hours of credit, exclusive of extension and correspondence (independent study) credit, must be earned at the University of New Mexico. Of these 30 semester hours in residence, 15 semester hours must be earned after the candidate has accumulated 92 hours of earned semester hour credit; these 15 hours, however, do not necessarily have to be the last hours of a degree program. A student may fulfill all or part of this residence requirement by attending summer session.
6. The student must have a minimum cumulative grade point average of 2.00. Students must achieve a grade point average of 2.00 or higher on all hours attempted while enrolled in the College of Fine Arts.
7. Students must graduate with a **minimum** 2.75 grade point average in their major. However, some degrees may require a higher major grade point average to satisfy graduation requirements. See departmental sections of the *Catalog* for details.

8. The student must demonstrate a minimum competence in English writing by passing ENGL 120 with a “C” or better, or attaining a suitable score on an authorized proficiency test prior to graduation. Students exempt from taking ENGL 110 or 112 or 113 and students who receive a grade of B- or higher in ENGL 110 or 112 or 113 or its equivalent at another institution, may choose to satisfy the minimum competence in English writing requirement through the Writing Proficiency Portfolio program administered in the English Department.
 - If a student is exempt from taking ENGL 110 or 112 or 113 and/or ENGL 120 based on placement scores from ACT or SAT, they must “make-up” the credit hours with college level electives.
9. A maximum of 24 semester hours of pass/fail (CR/NC) grading option courses may be applied toward a baccalaureate degree.
 - Courses that are part of the student’s major or minor (as defined by the major or minor department) with the exception of those courses especially approved for use of pass/fail (CR/NC) grading, cannot be taken for CR/NC grading.
10. A maximum of 40 semester hours of extension and correspondence (independent study) credit may be applied toward a baccalaureate degree and no more than 30 of these hours may be correspondence credit.
11. **Major and minor residence requirements:** at least one half of the minimum number of credit hours required for major study and one-fourth of the minimum for minor study must be class or laboratory work earned in residence at the University of New Mexico. A senior transfer student may satisfy this requirement, with the approval of the major department, with at least one-fourth of the total minimum hours required for the major. Most colleges will not accept Introductory Studies courses or technical courses to satisfy any of these requirements.
 - A minimum of one semester of resident enrollment is required after admission [as a declared major] to the College of Fine Arts; in any case, you must be enrolled in the College of Fine Arts [as a declared major] for your final semester at UNM.
 - A minimum of 12 semester hours must be earned while enrolled in the College of Fine Arts [as a declared major].
12. A student is not permitted to graduate if unresolved incomplete (I) grades or not reported (NR) grades are on the student’s academic record. It is the student’s responsibility to resolve any and all incomplete or not reported grades by the published ending of the semester in which graduation occurs.
13. Once a student has completed academic requirements for a degree (certificate, associate, baccalaureate, master’s, Ph.D.) and has received the diploma and appropriate notations on the official transcript, no modification of the student’s academic record leading to that degree will be made by the University of New Mexico.
14. No more than 4 hours of non-professional physical education (PE-NP) courses may be counted toward a CFA degree.
