

October 2016

UNM Music Prep School

-preparing students for a lifetime of music learning since 1993

News of Note

New music-making opportunities at the Music Prep School- This semester we've added a few new dimensions to our popular early childhood music, group piano, guitar and marimba and children's chorus programming.

- **Adult Classes:** For years, jealous parents of our young students have asked, "Why don't you have classes for grownups?" So, we're trying it out this semester with new Saturday adult guitar classes with Brian Moore, a piano class with Stephanie Kaylan, and a Wednesday night ukulele class with Robin Giebelhausen. Let us know what you think!
- **Private Lessons:** the new **Lobo Music Academy** offers private lessons for middle and high school band and choir students. UNM graduate students teach these lessons on Fridays and Saturdays. This program is just getting off the ground, but already we have students taking clarinet, percussion, flute, and voice lessons. Contact us if you'd like to know more.

Mark your calendars for **MPS Talks! February 25, 2017, 9:00-2:00**. This is sure to be an exciting day of inspiring presentations and incredible music performances, as well as food and fun for the entire family! Featuring the extraordinary British vocal ensemble, Voces 8, one of the world's most versatile and best-loved singing groups, in addition to many amazing UNM College of Fine Arts faculty, staff, and students. Stay tuned for more information!

WEATHER POLICY

If we feel it is unsafe for families or teachers to travel due to weather conditions, we will cancel classes. There will be no makeup classes or refunds if we have to cancel. We will put a message on our voicemail by 7:00 AM for our Saturday classes and ASAP for our Friday and Wednesday classes, as well as on KOB and KOAT TV stations, websites, and apps.
