## **What about Parking?**

Parking is available on campus at metered spots or in the Cornell Parking Structure for \$2.00/hr. You must pay with a credit card at one of the kiosks in the lot or structure.

### **Beginning Wednesday, January 27 you have two options for getting your child to and from rehearsals:**

Option ONE: You may park and walk your child into the building. Metered parking around campus or parking in the Cornell Parking Structure costs \$2.00/hour. Do not park in unmetered parking, or you will be ticketed.

Option TWO: You may utilize our pick up and drop off service on the south end of Johnson Field on Redondo Drive.

**Drop Off Time - 4:55-5:05:** UNM Music Education students will be at the field in orange safety vests to escort singers to the Center for the Arts building. **DO NOT** drop off your child until you see one of our interns. If you arrive after 5:05 and there is no one at the field, you will need to park your car and escort your child into the building. Rehearsals begin at promptly 5:15. *Please do not let your child walk unescorted to the building.*

**Pick Up Times - 10-15 minutes after your child's rehearsal ends.** Please be on time to pick up your child. It takes us about 10-15 minutes to get out to the field after our rehearsal. While you wait along Redondo Dr., **stay with your vehicle or it will be ticketed.** Johnson Field is well used during this time. Be aware of flying **objects, such as soccer balls or Frisbees.** **The UNM Music Prep School is not** responsible for any parking tickets or damages to your vehicle.

### **UNM Music Prep School Cancellation Due to Weather or other events**

If we feel it is unsafe for families and teachers to travel due to weather conditions or if UNM is closed for any reason, we will cancel our classes. There will not be make up classes or refunds if we have to cancel. If we must cancel, we will put a message on our voice mail (505.277.8816) and we will ask KOB and KOAT to add us to the cancellation list that is published on television stations, websites and apps.
